

Hi there!

I supported the Humane Society of Barron County on ZooToo with my participation and votes and now I'm supporting them with my DONATION to make all of our dreams for the animals come true. If all 3100 of our ZooToo supporters donate just \$10, we'll have \$30,000 to go along with the \$10,000 we've already won in the ZooToo Makeover Contest!!!

Please accept my donation of _____.

Through ZooToo, the shelter has made everyone aware that it has many many needs. The need I would like to specifically have this money put toward is:

___ Dirt to fill the deep holes in the play yards

___ Sponsoring a cat or dog to be spayed/neutered

___ Put towards the building fund so there can someday be MORE SPACE

___ Help covering the costs of treatment of an animal with special needs

___ An emergency fund to cover the cost of furnace / washer and dryer repairs

___ Other _____
